Massachusetts Community Health Center and Hospital-Licensed Health Center Service Delivery Locations (2009)

The below list of Massachusetts community and hospital-licensed health center service delivery locations is intended to help residents identify local primary health care providers. Because the available services of individual health centers may vary or change over time, you are encouraged to call ahead to learn if your local health center can serve your needs. For information on additional office locations in your community please call and ask your local hospital.
