

# Do you have both MassHealth and Medicare?

Your health care is about to  
come together with One Care

## One Care gives you:

- One card
- A choice of health plans
- Your choice of doctors
- One person to coordinate your care and work with you and your care team
- More behavioral health services
- Dental and vision services
- All prescriptions through one plan
- Home-based services
- Peer support services

## One Care

MassHealth+Medicare  
Bringing your care together
